

IMPACT CUP TENNIS

INTRODUCTION

The Impact Cup 2025 promises an exhilarating day of team-based tennis competition at the award-winning Barnes Tennis Center, coinciding with the prestigious USTA Girls Nationals. Teams of players, representing all levels of play, will go head-to-head, not only for the thrill of taking home the Impact Cup but also to fuel their mission off the court—raising essential funds to empower youth in our community.

This one-of-a-kind event combines the spirit of competition with a greater purpose, as we come together to provide free access to tennis and educational resources for the next generation. As each serve is struck and every game is won, our players will be reminded that tennis is more than a sport—it's a powerful platform to set young lives on a path to success.

SERVING THE FUTURE

WHO AND WHAT ARE WE RAISING MONEY FOR?

The Impact Cup Tennis is proud to raise funds in support of Youth Tennis San Diego (YTSD) — a nonprofit organization that has been empowering the youth of San Diego for over 70 years.

YTSD provides free and low-cost tennis programs to children in under-resourced communities, creating access to the sport while teaching life skills, teamwork, and confidence.

Your support helps:

- Expand programming to reach more youth across San Diego
- Keep tennis affordable and accessible
- Provide opportunities for mentorship, education, and personal growth

Together, we're making a lasting impact — one serve, one swing, and one child at a time.

SERVING THE FUTURE

EVENT DETAILS

Dates:

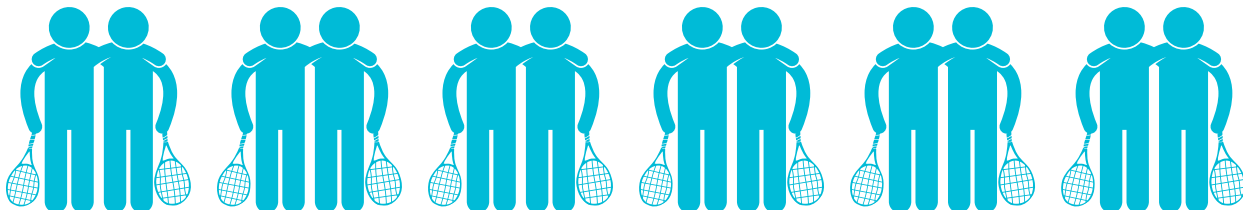

August 9, 2025: Impact Cup Tournament and Party

August 10, 2025: 2025 Billy Jean King Girls Nationals Finals

Impact Cup Tennis Competition Formats:

- Team Fundraising Challenge (Pre-Event)
 - Before stepping onto the court, teams will compete in a peer-to-peer fundraising campaign, rallying support and raising money for Youth Tennis San Diego. Each team's impact off the court helps drive their momentum going into the main event.
- On-Court Round Robin Tournament
 - The Impact Cup is comprised of 6 teams. A team may consist of as many players as desired, but at the minimum, a team will consist of 8 players (two at each of the following levels: Open, 4.5, 4.0, and 3.5). The round-robin competition will see each team compete against every other team for 5 matches. Each match consists of 4 doubles lines (Open / 4.5 / 4.0 / 3.5) playing one set each. A doubles pairing can consist of two women, two men, or mixed. Doubles pairings can change match to match, but must stay true to level. The total number of sets determines the winning team. If there is a tie, head-to-head results will determine the winner.
